The Foundation primarily supports research and education programs that analyze the impact of free societies, in particular how they advance the well-being of mankind. Building on this knowledge, the Charles G. Koch Charitable Foundation fosters the partnership of scientists and practitioners in order to integrate theory and practice. By doing so, the Foundation strives to develop market-based tools that enable individuals, institutions and societies to strive and prosper.

The Charles G. Koch Charitable Foundation focuses on a select number of programs where it believes it is best positioned to support positive social change. The Foundation encourages organizations seeking support to first familiarize themselves with those domains by examining the Foundation's Areas of Interest. In addition, the Foundation places several limitations on the requests it considers

1 The Foundation primarily makes grants to Section 501(c)(3) public charities. The Charles G. Koch Charitable Foundation does not support for-profit corporations or individuals

2 The Foundation discourages grant proposals for capital construction, debt reduction, or general fundraising drives or events. The Foundation does not make grants to support lobbying activities or candidates for political office. The Foundation rarely funds endowments.

Organizations seeking grants from the Foundation and which meet the aforementioned criteria should submit a short letter (no more than three pages) outlining their request. The letter should clearly and succinctly state:

1. Prospective grantee's mission and goals,
2. Specific project for which support is being sought;
3. Amount of funding requested;
4. Name, title, address, telephone number, and e-mail address of the primary contact person, and,
5. Current annual budget or audited financial statements

If applicable, please also include a list of other support (e.g., funding, in-kind contributions) secured for the project. Because the Foundation only supports Section 501(c)(3) public charities, it also requires that you submit verification from the IRS that your organization is exempt from federal income tax as a Section 501(c)(3) organization and is classified as a public charity under Section 509(a) of the Internal Revenue Code. The Foundation kindly requests that no materials beyond what are described above be included. Please send all required materials to:
