Dear Scholarship Applicant:

Enclosed are some instructions and samples to help you through the Scholarships for Children of Employees' application process. Please read through these before filling out the application.

As the announcement for this program stated, all applications will be reviewed by a Scholarship Committee of individuals who are completely independent of our companies, and who are either educators or seriously interested in education. This committee also selects the scholarship recipients based on scholastic attainment, intelligence, merit, need, and possible success in college and after college life. Please remember no member of the committee has any detailed information about our employees or our employees' children.

If you have any questions regarding the application process, please contact Cherie Miller in the Casper office at (307) 266-0203. Thank you for your interest in our scholarship program.

Sincerely,

Hank True

Dave True

January 16, 2012

TO ALL EMPLOYEES,

Fifty years ago your company inaugurated a Scholarship Plan. The acceptance of this plan has been so enthusiastic and heart-warming it has been decided to continue it through 2012. It is intended to encourage and help children of employees obtain education beyond high school.

This year eleven \$1,500 scholarships will be awarded to sons and daughters of our employees for use during the scholarship year beginning in the fall of 2012. However, because IRS regulations mandate that the number of scholarships given cannot exceed 25 percent of the number of applications received or 10 percent of the number of children of eligible employees, the number of scholarships actually awarded may have to be reduced.

These True Foundation scholarships may be used at any accredited two-year college or any accredited four-year college or university of the recipient's choice. The money will be deposited with the college or university in the name of the scholarship recipient. This deposit will be made after the recipient has made arrangements to enter and has been admitted to the school. The college or university will then transfer the award amount to the scholarship recipient in equal installments at the time the student pays his semester or quarter fees. These funds should be used only for strictly academic purposes—tuition, fees, or books—since, if they are used for personal items, the funds will be classified as income taxable by the IRS.

Acceptance of a scholarship will not obligate the recipient to the company in any way.

To be eligible, the student's parent or legal guardian must be a current, full-time employee of our companies and have three or more years of service with the companies or the student must be a past recipient of a Scholarship for Children of True Employees; and the applicant must be a bona fide candidate for an advanced degree or for a baccalaureate degree from an accredited college or university or for an associate degree from an accredited two-year college. The receipt of a scholarship for any year will not affect a student's eligibility to again apply in the next or succeeding years.

The actual selection of students to receive the awards will be made by a Scholarship Committee of individuals who are completely independent of your companies, and who are either educators or seriously interested in education. This committee will have full authority in the selection of scholarship recipients. Their selections will be based on scholastic attainment, intelligence, merit, need, and possible success in college and after college life.

Awards of these scholarships will be announced during the week in which most high school graduating assemblies are held; and applications must be received prior to Friday, March 16, 2012. If you have a son or daughter who may be eligible to apply for one of these scholarships, please request application forms from either your supervisor or our Casper office.

Should you have any questions regarding this Plan, please do not hesitate to ask them.

Sincerely,

Hank True

Dave True
